22nd April 2024

Dear Parent/Guardian

We are pleased to inform you that a trip has been arranged for all of the Year 3 children to go to the Wroxeter Roman City Shropshire . This is in connection with our Roman Theme. The children will have the opportunity to experience Roman architecture, life in Roman Britain all within the ruins of a real Roman city.

The trip will take place on Monday 10th June 2024 leaving school promptly at 8.30 am to avoid traffic. Your child will need to be in school for 8.15am. This will allow us to register the children and prepare the children for the trip. We will return to school at approximately 3.30pm. If we are late due to traffic, the school will send a message via the school life app. Could you please ensure the school office have up to date mobile phone numbers.

Could you please provide your child with a packed lunch and extra drinks and snacks in a carrier bag. If your child is entitled to free school meals and you would like school to provide a packed lunch, please indicate on the attached slip. Children can wear their own trousers, but we would like them to wear the school jumper or cardigan.

If your child has an inhaler, can you please ensure their inhaler is in school the day before the trip.

If your child suffers from travel sickness, could you please ensure your child takes their tablet before they come to school and inform the class teacher if they need a travel sickness tablet on the return journey you will need to fill a medical form out for this please complete a medicine form from the school office.

The cost of this trip is £10.50. Payment needs to be paid via Parent pay. If you have any problems please contact the school office.

We would appreciate it if you could complete the slip attached and send it back to school and pay the payment via parent pay by 3rd June 2024. The form must be returned to school as this is the permission slip for your child to go on the trip and without this slip they will not be able to go.

Yours sincerely

Mr Halliday
Class Teacher
