Happy New Year!

Dear Parents,

The Year 3 team would like to wish you all a very Happy New Year! We hope you've had a lovely Christmas break and are ready for the new year ahead, whatever this one brings! We hope our flyer will be useful as your child settles back into school. As always, should you have any questions, please feel free to share these with us and we'll do our best to help.

Reading

It remains as important as ever to encourage your child to read as much as possible, both with an adult but also independently. We strongly recommend that you hear your child read at least three times a week and record this in their Learning Log. We have lots of children moving through the Rainbow Reading Challenge colours, which is great to see. Although your child may be confident to read their books, you should continue to support them at home by assisting them with the comprehension of the text.

Maths

Please encourage your child to access our maths-based websites: Times Table Rock Stars and Doodle Learning. It really does benefit them back in school. We will continue to build on our basic maths skills, particularly the four operations of number, and explore many of the times tables alongside this.

Home Learning

We will continue to send a set of ten spellings on a weekly basis. In addition to this, both Basic Skills and Creative tasks will be set on an alternate basis. Please support your child with these tasks and encourage them to demonstrate their full potential and creativity.

PE

PE DAYS:

Tuesdays and
Thursdays

Children can come to school wearing their PE kit on their PE days. Please ensure it is appropriate sports clothing for school.

Please note that jewellery (including earrings) must not be worn during P.E. Long hair must be tied back.
