

Cricket Success at Bleakhouse Primary School

On Thursday the 19th May a group of 10 talented children went to play cricket at Dartmouth Cricket Club in West Bromwich. The children competed against many schools from Sandwell and played fantastically well.

This amazing group of children achieved a gold medal and came 1st place out of all of the schools that competed. These children scored so highly that they do not go to the Black Country Finals but to the County Finals in Staffordshire.

What an amazing achievement for these young children. We are so proud of you! Bring on the finals!
