Dear Parent / Carer

We are very excited to announce that we are organising a five day residential trip to Ingestre Hall, in Staffordshire in October 2021. We are very fortunate to have secured a provisional booking as it is an extremely popular venue with school groups.

For parents who are new to Ingestre Hall they are a leading residential activity centre provider, responsible for delivering safe and rewarding educational programmes to over 130,000 children every year. By combining many National Curriculum-linked modules with thrilling outdoor and indoor adventure activities, this trip is sure to provide your child with a wealth of new experiences outside of the classroom.

Residential courses organised by the school are, of course, an optional but invaluable part of the National Curriculum. Pupils benefit hugely from the experience, both educationally and socially and I feel certain that the programme which we have chosen this year will prove to be both enjoyable and very worthwhile.

We would like to offer this opportunity to all pupils currently in Year 5. The trip will take place from Monday 4th October to Friday 8th October 2021, when these children will be in Year 6. The cost of the visit will be an estimated £220 per pupil and includes return travel by coach, full board, accommodation and a full programme of activities. To confirm our booking, an initial refundable deposit of £30 will be required when numbers of interest are known. Payment can be in instalments if required and will be payable through Parent Pay.

You can visit <https://www.ingestreats.org.uk/> to find out more about residential visits to Ingestre Hall. Alternatively, please phone the school office and request to speak to Mrs. Martin or Miss Cutler for more information.
