# Bleakhouse Primary School

Happy New Year!

We have lots of exciting learning opportunities planned for the children, based on Frozen Worlds and Traditional Tales. This flyer provides you with an overview of the curriculum your child will access during Spring 1 so you can help and support them.

We will continue to teach children the 'pure' sounds in phonics lessons. Search 'Read Write Inc, how to say the sounds,' on YouTube for a video of how to pronounce these correctly.

We will also teach the children to blend sounds orally to make words, such as m a t = mat, t a p = tap. With Read Write Inc this process is called Fred Talk and children may use their Fred fingers to help.

Children will practise letter formation using the Read Write Inc images and rhymes, e.g. 'Down the pirate's plait and around his face'

Source: p-p-p-pirate  
Handwrite: Down the plait and over the pirates face

## Maths

Children will continue to learn how to count numbers up to 5 and beyond as well as recognising and writing the numerals.

They will explore different ways of representing numbers, including counting steps, claps, jumps or objects.

We will be exploring and using positional language (on, under, behind, in, below, next to...) in mathematical play.
