Annual Home-School Agreement

At our school we encourage children to develop friendships, show respect, aspire to excellence, show determination and courage, treat each other equally, to be inspired in their work and promote fundamental British Values.

At Bleakhouse Primary School we believe in a partnership between the children, their parents and the school. By working together, we can enable our children to achieve high standards and reach their full potential.

Parents Responsibilities

As parent or carer of a child at Bleakhouse Primary School I believe in a productive partnership between home and school. I support the school to safeguard my child by ensuring that I provide the school office with up-to-date emergency telephone contact details for at least two adults.

As parents/carers we will benefit my child's progress by:

- Ensuring that my child attends school regularly, arrives and is collected on time and is properly equipped for all lessons and activities.
- Reinforce the importance of going to school to learn.
- Encouraging my child to behave appropriately in and around school, during offsite visits and adhering to all school policies including the Behaviour Management Policy at the school.
- Endeavour to attend Parents Evenings and meetings to discuss my child's welfare and progress.
- Inform the school about any concerns I may have about my child's work or behaviour.
- Take an interest in all aspects of my child's school life.
- Telephone and/or provide a note to explain any absence.
- Support my child's learning by assisting with reading, other opportunities for home learning or other homework when necessary.
- In addition, we will ensure that all photographs and digital images (including videos) taken at any school production, performance or event will be for personal use only and not made available to the wider public, including via the internet.

Mobile Phone Usage in School:

Please keep your mobile phone on silent/vibrate while on the school grounds, do not use phones where pupils are present. If you must use your phone, you may go to Reception.

School

In order to achieve the aims the school will:

- Provide a well taught, broad, balanced, relevant curriculum that is tailored to meet the needs of each child according to the requirements of the Early Years Foundation Stage and the National Curriculum.
- Provide a safe, secure, caring and stimulating environment designed to help children develop and reach their full potential, academically, socially, morally and personally.
- Ensure that there is Equality of Opportunity for all pupils irrespective of race, gender, ability, age, ethnic background, size, religion and/or disability.
- Ensure that high standards are achieved in both work and behaviour and that children are provided with opportunities to develop good relationships, *independence and resilience* and a sense of responsibility.
- Maintain a high level of communication with parents offering regular opportunities for discussion about children's progress regarding both work and behaviour. We will also provide a detailed report for parents once a year.
- Ensure that parents are made welcome and given opportunities to become involved in school life.
- Encourage appropriate behaviour, good attendance and punctuality in school.
- Provide home learning tasks when appropriate.

The school accepts no responsibility for phones, smart watches, bikes or scooters that are lost, damaged or stolen while you are on the school grounds or trips/visits. A full copy of our Mobile Phone Policy is available from the school office.
