Wednesday 10th June 2026

Dear Parents/Carers,

We are pleased to be working with BikeRight to offer a day of cycle training (Bikeability Levels 1 and 2 combined) during the week beginning **Monday 22nd June to Friday 26th June**.

Bikeability is the national cycle training programme designed to help children develop the skills and confidence to ride safely and independently.

This training is available to all Year 6 pupils as part of the school curriculum and will be delivered by qualified instructors and tailored to pupils' abilities. All activities will be closely supervised and may include:

- Off-road cycling activities
- On-road cycling, where appropriate and suitable for the child's ability

Children are encouraged to bring their own bikes and helmets, provided they are the correct size and in a safe, roadworthy condition. Bikes and helmets will also be available for children who do not have their own.

Please note that your child can still take part even if they are not yet able to cycle independently. If this applies to your child, please inform the school so that they can be placed in a suitably matched group.

If you wish your child to take part, **please return the slip below by Monday 15<sup>th</sup> June**. If we do not hear from you by this date, we will assume that you do not consent to your child's participation.

Thank you for your support.

**Yours sincerely,**

Emma McGahey  
Deputy Headteacher  
Bleakhouse Primary School
