2.7.26.

Dear Parent/Carer,

I am writing to inform you of a delay to this year's Key Stage 2 (KS2) test results, which the Department for Education notified schools about today. This delay affects all schools nationally.

Schools were originally due to receive KS2 results on 7 July 2026. However, Pearson Education Limited, the organisation responsible for administering, marking and returning KS2 results, has informed the Department for Education of an issue affecting the national system used to make results available to schools. As a result, schools will now receive results on 16 July 2026.

We understand that this news may be disappointing and frustrating. Our Year 6 pupils have worked incredibly hard and are understandably eager to receive their results. Please be assured that we will share these with families as soon as they become available on Thursday 16 July.

Importantly, this delay is not related to the quality of the tests or the accuracy of pupils' results. Test papers have been marked according to the usual national procedures.

The delay will not affect your child's transition to secondary school, and there is no action required from parents or pupils. Children will still receive their end-of-year school report on Friday 11 July, with KS2 test results being sent separately the following week.

Thank you for your continued support and understanding. We are incredibly proud of all that our Year 6 pupils have achieved this year and look forward to celebrating their successes with them on 14 July.

Yours sincerely,

Mrs Shioleftou
Headteacher
