27th March 2026

Dear Parents and Carers,

We are pleased to share an exciting update regarding our Funzone provision.

From Monday 13th April 2026, SIPS Catering will be providing all food for children attending Funzone. SIPS Catering already deliver high-quality, nutritious meals in our school.

What this means for your child

- Children will enjoy freshly prepared, healthy meals and snacks during Funzone.
- Menus will be balanced and varied, following the same food standards we use in school.
- SIPS Catering can cater for all dietary requirements, including allergies and cultural or religious diets.

If your child has any specific needs, please ensure these are recorded with the school office.

From Monday 30th March 2026, we will be deleting all existing Funzone bookings currently held in the system.

This means that if you require a Funzone place for your child next term, you must make a new booking from 31st March 2026 onwards.

Because SIPS Catering will be preparing meals based on the number of bookings each day, the following will apply:

- If a booking is made and your child does not attend, you will still be charged.
- This is because the meal will already have been prepared for your child.

We kindly ask all parents to check bookings carefully and ensure your child attends if a space has been secured.

We would also like to reassure parents that Funzone prices will remain the same. The current charges will cover the cost of SIPS Catering for now, and there will be no increase in price at this time.

Should any changes to pricing be necessary in the future, we will communicate this with you in advance.

If you have any questions, please contact the school office and we will be happy to help.

Thank you for your continued support.

Yours sincerely

Mrs J Shioleftou
Head Teacher
