

Alien Day

Dear Parents/Carers,

On Friday 22nd May Reception and Year 1 we will be having an 'Alien Day'! In order to make this day as special and enjoyable as possible, we would like the children to come to school dressed as aliens. Please do not feel obliged to buy a new full costume, as we will be painting and using glue throughout the day. A simple t-shirt with alien accessories will be more than sufficient i.e. a large eye sellotaped to the t-shirt, a head band with eyes.

The children will be taking part in lots of exciting activities throughout the day. Some of the challenges our aliens will face include:

- Finger painting aliens.
- Creating an abstract world.
- Creating a planet for an alien.
- Blow painting aliens.
- Water marbling planets.
- Constructing a rocket/space ship
- Playdough aliens
- Alien stick puppets

Yours Sincerely,

Miss Thomson
(Year 1 class teacher,
Phonics lead)

Mrs Ellitts
(Reception teacher,
EYFS lead)
