

# Journeys

## Reception Summer 2023

Children will listen to and write their own stories about journeys and the type of transport in their story. We will look at transport old and new. Can your child write a sentence independently? Are their letters all formed correctly?

Remember to send us those WOW moments on EvidenceMe.

RWI Phonics – Practise reading daily and hold a sentence daily.

Computing— Programming Beebots, remote control cars, remote control dinosaur and caterpillar, log on/ off the computer and using Digi maps.

**In Maths** Time, Doubling, halving and sharing practically, Addition and subtraction with single digit numbers. Counting on and back from a given number, Numbers 15-20, one more, one less, ordering, writing, representing numbers using CPA methods. Reasoning and problem solving within this, Vocabulary development of words relating to number, shape, space and measure, Capacity, Money, pattern.

We will be finding out about the seaside and city and finding differences. We will be learning about different seas and oceans and their climates and inhabitants.

Please, as always feel free to contribute to our topic by sending us in information, books or photos.

Thank you for all your continued support.
